Peter Mayer on the Winter Solstice
 In our traditional Winter Solstice Festival Peter Mayer continues to be the man with the message. The evening includes other opportunities to celebrate and reflect on the long night and the new year. "There are at least a dozen Peter Mayer songs that I would love to learn myself, but I could never play them as well as he does." — David Wilcox, Singer/Songwriter "I'm a huge Peter Mayer fan, but only when I don't feel like killing him for being so good. I love Peter's work, though it irritates me that he plays so much better than I do. If I rocked half as hard as Peter does, I'd own the world by now." — Janis Ian, Singer/Songwriter
